MULTNOMAH IS DEFEATED

(Continued from page one.)

visitors plainly denoted their disappointment. They struggled bravely and desperately against their masters at the game, but were unable to break Astoria's line or to escape the fleet ends and tackles. Once or twice Multnomah punted down to Astoria's 15-yard line, but there the home line held against the earnest onslaughts of the visitors.

Right at the start Astoria displayed vigor seldom seen. The men were all fast, and the Multnomahs, too, displayed no poor speed. When Astoria kicked off the crowd breathlessly awaited results, and had the satisfaction of seeing the home team gain the first touchdown by a series of open football that included practically all of the popular plays. Portland could not gain and on the third down punted 15 yards.

Abercrombie later punted 25 yards and when a Multnomah man got the ball Stockton was there to down him before he had advanced it a foot. The tackle was beautifully made and a cheer went up for the doughty little quarterback. Multnomah was forced to kick, and then Astoria commenced the series of maneuvers that netted the first touchdown. Barker started things with a gain of 10 yards around the end, after which line-bucknig was resorted to. Astoria made the necessary yardage without much difficulty, the visitors' line being unable to hold against the fierce sallies of the locals. Then Barker was sent around the end for 18 yards, bringing the ball to Multnomah's 2-yard line. Abercrombie was next sent straight through center for the yardage that scored the touchdown, while the crowd sent up a cheer. Barker made a magnificent try for goal from a difficult angle, and two inches more would have added a point to Astoria's total. Score: Commercial, 5; Multnomah, 0.

Abercrombie kicked to Multnomah's 35-yard line, but on the second down Sutton wrested the ball from the visitors. On the first down Commercial gained 10 yards on a center play. The superior work of the home team was plainly apparent during the playing which followed, Multnomah being unable to withstand the rushes of the locals. Graham gathered in 10 yards for Commercial by going around the end, and Barker contributed his share by carrying the ball to Multnomah's 6-yard line on another end play. Barker was doing so well that Stockton called another end play by him, and his interference opened up a gap through which the Commercial half went for the

second touchdown. The execution of this play was one of the prettiest pieces of work of the game. Barker again failed to kick the goal, the ball striking the goal post. Score: Commercial 10; Multnomah, 0.

Just before Commercial scored the second touchdown Crosby, Multnomah's fullback, was struck on the head. The blow was a terrific one, but the plucky back remained in his position. However, he was completely dazed and knew absolutely nothing of what was transpiring about him. When Abercrombie kicked off the ball rolled over Multnomah's goal line, where Crosby picked it up. He was tackled by an Astorian and downed, the play constituting a touchdown, which carries with it no score. However, it was a loss for Multnomah, which had the choice then of kicking from its 25-yard line or scrimmaging at that point. The scrimmage was decided upon.

For a time it seemed as if Commercial would score again in the first half. Multnomah tried a trick play, that Sutton spoiled by going through the line and tackling. Multnomah punted to Stockton, who advanced the ball 10 yards. Barker added another 10 yards and Bay went forward for five yards. Abercrombie punted to the five-yard line, and at this stage Multnomah employed the formation that threatened for a time to snatch victory from the Commercial. Five different times the play was essayed, with success, and then Graham broke it up. Multnomah was forced to punt, Stockton advancing the ball 15 yards. At this juncture Barker started one of his crack end runs that looked like 50 yards and a touchdown, but he was cleverly tackled and downed. Commercial lost the ball on downs, and Multnomah again tried the mass play. Crosby made some material gains, but when time was called for the first half the sphere was still in Multnomah territory. Score Commercial, 10; Multnomah, 0.

The second half was not so fast as the first half until the very end. Multnomah kicked off to Graham, who advanced the ball 15 yards. On the third down Abercrombie tried a punt kick, but was neatly blocked. Multnomah again tried the mass play, but lost yardage, and thereafter tried it but once. Painter went around Multnomah's left end for 25 yards in a spectacular manner, while Barker, with customary zeal, advanced the sphere 15 yards by an end run. A line buck netted five yards, but a punt by Commercial sent the ball out of bounds. Multnomah tried unsuccessfully an end play during which Johnson was laid out for a time. He soon regained his strength

and took his place in the Multnomah line. Multnomah gained five yards through center bucks, failed on a mass play and then punted to Commercial's 15-yard line. A hard struggle ensued here, the visitors striving desperately to score. Abercrombie finally punted, and another stubborn struggle took place in the center of the field. Astoria was penalized five yards for off-side play, and Multnomah lost the ball on downs. Then, on a cross-tackle play, Barker went through for his 55-yard run and a touchdown, but failed for the third time in his effort to kick goal. Score: Commercial, 15; Multnomah, 0.

Multnomah kicked to Commercial's 15-yard line, and when Abercrombie punted the ball went to the center of the field, where the teams were struggling when the whistle was blown for the end of the second half.

The Multnomah lineup contained four first team players and the most promising of the subs. The lineup was given as follows, several of the names being fictitious: Right end, Dowling; right tackle, Eastman; right guard, Krenick; center, Keller; left guard, Buckell; left guard, Bailey; left end, Joe Pratt; quarterback, Goodell; right half, Owens; left half, Bell; fullback, Crosby; subs, Smith and Hayes.

The Commercial lineup was as follows: Right end, Painter; right tackle, Minard; right guard, Gammel; center, Bay; left guard, Goddard; left tackle, Sutton; left end, Trullinger; quarterback, Stockton; right half, Graham; left half, Barker; fullback, Abercrombie.

Referee, Dr. Tom Ross; umpire, Dr. Regan; linesmen, Representative Bailey and Harry Graham; timekeepers, Alfred Funge and S. P. Wilson.

A Costly Mistake.

Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for dyspepsia, dizziness, headache, liver or bowel troubles. They are gentle yet thorough. 25c, at Chas. Rogers' drug store.

BLOCKADED

Every Household in Astoria Should Know How to Resist It.

The back aches because the kidneys are blockaded. Help the kidneys with their work. The back will ache no more. Lots of proof that Doan's Kidney Pills do this. It's the best proof, for it comes from Oregon.

T. W. Shankland, who is a street car conductor on the Woodstock street car line, residing at 719 Ellsworth St., Portland, says: "Some time last fall I began having considerable trouble and annoyance from a dull aching pain in the back over the kidneys. I think it was caused from the constant shaking and jarring of the car. I thought at first it would disappear quickly as it came, but this was not the case. Learning of Doan's Kidney Pills I procured a box and took them according to directions. The result was entirely satisfactory. The backache grew less and less and soon disappeared and as far as I can tell it has gone for good for there have been no symptoms of recurrence."

Plenty of similar proof in Astoria. Call at Charles Rogers, druggist for particulars.

For sale by all dealers; price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name Doan's and take no other.

SCROFULA A DISEASE WE INHERIT.

Scrofula manifests itself in many ways. Swelling of the glands of the neck and throat, Catarrh, weak eyes, white swelling, offensive sores and abscesses, skin eruptions, loss of strength and weakness in muscles and joints.

It is a miserable disease and traceable in almost every instance to some family blood taint.

Scrofula is bred in the bone, is transmitted from parent to child, the seeds are planted in infancy and unless the blood is purged and purified and every atom of the taint removed Scrofula is sure to develop at some period in your life.

Scrofula appeared on the head of my little grandchild when only 18 months old, and spread rapidly over her body. The disease next attacked the eyes and we feared she would lose her sight. Eminent physicians were consulted, but could do nothing to relieve the little innocent. It was then that we decided to try S. S. S. That medicine at once made a speedy and complete cure. She is now a young lady, and has never had a sign of the disease to return.

No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds up the blood, makes it rich and pure, and under the tonic effects of this great Blood Remedy, the general health improves, the digestive organs are strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions, and other symptoms of Scrofula disappear.

S. S. S. is guaranteed purely vegetable and harmless; an ideal blood purifier and tonic that removes all blood taint and builds up weak constitutions. Our physicians will advise without charge, all who write us about their case. Book mailed free.
